

ENDURETH ALL THINGS

ENDURETH ALL THINGS:
Remain, bear trials, have
fortitude, persevere, patient,
still

113-120

O Lord, I **persevere** like the great oak tree.
Standing strong, ever **patient**, **enduring** and **still**;
As the **branches** of the mighty oak **sway** in the wind,
So do I **not bend** to evil.

Though **storms** and **high winds** course through me,
I know that you allow this, and I **behold** thy mightiness.

A **strong tower** am I: a rock, a fortress, a **mighty tree**;
O Creator of the universe, **you have made me**.

Constant is my **endurance**; I live because you are:
All life is in your hands, **how I love Thee!**

Once an acorn, a sprout, a sapling,
I am **by Thee** a great oak: **rooted** and **grounded**.

In thee, my Creator, I am a **refuge** to the needy,
And **Thy light** ever shines in me, glorious is thy work.

Day and night my hands, as branches, **lift** and **praise** you:
Your Son taught me the **certain enduring** of **Charity**.

AN ACORN
Oak seeds germinate in moderate temperatures; some need light; others thrive in the dark.

A SPROUT
The seed germinates and a stem and leaves emerge.

A SEEDLING
The roots provide water & nutrients from the soil; the leaves get warmth and energy from the sun.

A SAPLING
The shoot grows slowly into a young tree - a sapling - then into a mature tree producing acorns.

Oak-leaf: As one grows in Christ, Charity has a good, clean sense of humor.

The Branch Songs

Labour not for the meat which
perisheth, but for that meat which
endureth unto everlasting life, which
the Son of man shall give unto you:
for him hath God the Father sealed.

Because thou hast kept the word of my
patience, I also will keep thee from the
hour of temptation, which shall come
upon all the world, to try them that
dwell upon the earth.

THE OAK IN THE MEADOW

How does life grow
But in a seed
How does faith grow
But to believe

Rains in the season
Roots growing strong
Hope is in the air
Whose it belongs

[CHORUS]
Enduring everything
Grow
Mighty oak
Grow

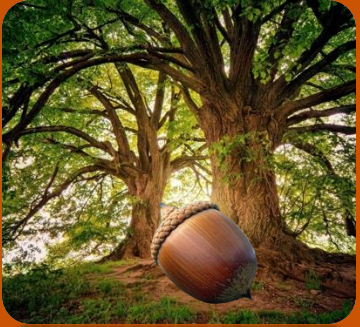

Enduring all is like a tree
Covered for a time
Hidden in the deep
Drinking cool water,
soaking up the sun

Growing
Mighty oak growing
In rain and snow
Open your branches
Birds come and go

[CHORUS]
Enduring everything
Grow
Mighty oak
Grow
Go, Go Mighty Oak, grow
Through life's great trials
Secured in charity
The oak is mighty and strong

No matter what - I grow
And I grow
And I grow
Grow, Grow in Charity grow
Enduring everything
Grow
Mighty oak
Grow
Go, Go Mighty Oak, grow
I am the Gardener.

[FINAL CHORUS]
Enduring everything
Grow
Mighty oak
Grow
Go, Go Mighty Oak, grow
I am the Gardener.
